CVIP Project Rules

- Maintain a separate Github Repository (CVIP #Domain Name)
- Upload all project source code to that Repository
- Upload the Task Videos to LinkedIn and Tag @CodersCave
- Update your LinkedIn Experience for your LinkedIn Profile growth
- Complete atleast one task from each phase 1 & phase 2 projects to get eligible to apply for certification
- Complete all the given tasks in phase 1 & phase 2 projects to get eligible for Letter of Recommendation.
- If we discover that your code contains plagiarism, we will fire you by way of the internship.
- Inactiveness during your tenure will led to terminate from internship.

**Thank You
Hustlers..!**
